

Please draw your facility plans here -  
does not need to be to scale

A floor plan shall be submitted with the initial application and/or when a facility is being constructed or remodeled. The floor plan shall show dimensions of all rooms to be used (length and width), the planned use of each room, the placement and number of toilets and handwashing sinks, and the location of the fixtures and plumbing in the kitchen. If the facility is located within or attached to a building used for purposes other than child care, the floor plan shall describe the other activities which are carried out in adjoining rooms or buildings.
