

Tillamook County
INFORMATION FOR OPENING A FOOD SERVICE FACILITY

1. Submit a complete restaurant or **mobile unit** plan review packet with all supporting documents to the Tillamook County Environmental Health Department. **THIS MUST BE SUBMITTED PRIOR TO NEW CONSTRUCTION OR STRUCTURAL BUILDING CHANGES.** For a plan review packet and a list of fees, visit our website at: www.tillamookchc.org/EH
 - If you will be **remodeling, newly constructing, or opening a restaurant that has been closed for more than a year** you must contact Tillamook County Community Development: (503)842-3408 www.co.tillamook.or.us/Gov/ComDev
Final approval needed before pre-inspection by the Health Department
 - If you will be **cooking anything that produces grease-laden vapors** (bacon, burgers, fries, etc.), you must contact the Fire Department in the jurisdiction of the facility.
Final approval needed before pre-inspection by the Health Department
 - If you want to serve **alcohol**, you must contact the Oregon Liquor Control Commission: (800)452-6522 www.oregon.gov/OLCC
 - If you will be discharging **wastewater** that may have grease or oil, you must contact the sewer agency in the jurisdiction of the facility.
Final approval needed before pre-inspection by the Health Department
 - If you want to open a **Mobile Unit**, you must **also** contact the Oregon Dept. of Transportation: (503)325-7222 www.oregon.gov/ODOT
Final approval needed before pre-inspection by the Health Department
2. Once you have submitted your packet, allow 10 business days for an approval letter from Environmental Health.
3. Once you receive your approval letter, contact Environmental Health for a pre-inspection prior to opening or if you have any questions:

Annette Pampush, 503.842.3902
